946 mL/32 oz
1:3 Concentrate ratio
Makes 16 cups of 8 oz chai lattes

.MORE TO POUR.

Rooibos

Naturally caffeine-free. This infusion is spiced and sweetened to create a velvety chai that accentuates the natural vanilla, caramel, and floral notes of Rooibos.

Grizzly

For this extra spiced chai, we've slashed sweetness in half. It's perfect for getting creative with your lattes or simply enjoying as a bold chai.

Oolong

We've married the heat of ginger and black pepper with the floral and toasty notes of oolong tea for a brew that is both delicious and unique.
